Re: Erial/Sicklerville/Cedarbrook Roads - Temporary Roadway Closure and Impact on Transportation Service

Dear Parents/Guardians:

Beginning Monday, November 30, 2026, a full roadway closure and detour will be in effect in the area of the Camden County Roundabout roadwork at Erial Road, Sicklerville Road, and Cedarbrook Road. This closure is necessary for crews to safely complete the remaining roadwork and will continue 24 hours a day, seven days a week, for approximately three weeks. This closure is scheduled to remain in effect through December 18, 2026 (weather permitting).

The detour may affect bus service on all Winslow Township School District routes. The greatest anticipated impact will be on our routes serving Schools No. 1, No. 2, and No. 5.

We ask for your patience and encourage families to prepare for delays in travel time during the roadway closure. We will make every effort to keep buses as close to their regular schedules as possible.

Thank you for your understanding and cooperation as this work is completed safely.

Sincerely,

Mark Pease
Interim Superintendent
