

3 geckos have black spots, and 3 geckos have no spots. There are 6 geckos.

$3 + 3 = \square$

$\square = 3 +$

There are 6 monkeys. 4 monkeys are swinging on the tree, and 2 monkeys are taking a nap. Draw a picture to go with the story.

$\square = \square + \square$

$\square + \square = \square$

Create your own story and tell your partner. Have your partner draw a picture of your story and create a number sentence to go with the picture.
