

Name _____

Date _____

There are 3 penguins on the ice. 4 more penguins are coming. How many penguins are there?

$$3 + 4 = \boxed{7}$$

If your child is ready for a challenge, have them count on from 3 instead of counting all.

There is 1 mama bear. 5 baby bears are following her. How many bears are there? Draw a box for the answer.

$$1 + 5 =$$

Draw 7 balls in the ball box. Draw a girl putting 1 more ball in the ball box. Circle all the balls, and draw a box for the answer. Write your answer.

$$7 + 1 =$$
