

My Board

Dad and Dan went down to the shore to find him a new board. Dan broke his old surfboard because the wave was too big! Dan let out a big roar when he broke his old board. It was his favourite board. When they went to the shore, Dan found a new board. He knew it would soar when it hit the water.

① Who went down to the shore?

② What was Dan getting down at the shore?

③ How did the new board make Dan feel?
