

TRAVEL AGENT CHECKLIST AND RUBRIC

Learning objective:

I can differentiate between weather and climate.

- I have included a description of the location's climate in 3-5 complete sentences.
- I have included a complete weather report for each day that my client is visiting (high/low temperatures and chance of precipitation)
- I have included at least 3 suggestions of activities for my client to do while they are visiting.
- I have clarified for my client the difference between weather and climate in the location they are visiting.
