

A

What is the expanded form for the number below?

33

B

What is the expanded form for the number below?

57

C

What is the expanded form for the number below?

81

D

What is the expanded form for the number below?

46

E

What is the expanded form for the number below?

14

F

What is the expanded form for the number below?

93

G

What is the expanded form for the number below?

25

H

What is the expanded form for the number below?

75

I

What is the expanded form for the number below?

41

J

What is the expanded form for the number below?

39

K

What is the expanded form for the number below?

45

L

What is the expanded form for the number below?

42

M

What is the expanded form for the number below?

71

N

What is the expanded form for the number below?

84

O

What is the expanded form for the number below?

36

P

What is the expanded form for the number below?

38

Q

What is the expanded form for the number below?

46

R

What is the expanded form for the number below?

12

S

What is the expanded form for the number below?

64

T

What is the expanded form for the number below?

82

U

What is the expanded form for the number below?

33

V

What is the expanded form for the number below?

44

W

What is the expanded form for the number below?

95

X

What is the expanded form for the number below?

76

Y

What is the expanded form for the number below?

86

Z

What is the expanded form for the number below?
