

My Coins

Beth is always looking for coins to collect. Beth has a big coin collection. Beth found a lot of coins in the soil. She could not see the coins very well. When she found a coin, she pointed to it and said, "Look at the new coin! It can join the others in my collection." She will avoid letting others touch her coins.

① What does Beth like to collect?

② Where are a lot of coins found?

③ What happens to the coins after one is found?
