

Dear 5th Grade Parents,

Congratulations as your child approaches this important milestone of completing elementary school! Even though we cannot hold our regular commencement ceremony, we want to be able to celebrate your child's very important achievement so we are planning a parade/drive-thru ceremony for our students.

How it will work?

During your scheduled time, we are asking you to drive through the school parking lot (entering from 2nd avenue and 19th street) so your child can receive their cap and completion certificate. Your child may also take a quick picture with his/her teacher. We are encouraging all parents to decorate their car with a poster or banner to show our graduates how proud we are of them. We also would like all students to dress-up for the occasion so the child feels the importance of their special day and will also look nice for their pictures.

What we need from you:

1. Be on time during your scheduled time
2. Follow the map of the correct route to ensure a good flow of traffic
3. Do not get out of the car for safety/social distancing
4. Decorate your car (a poster or sign will be great!)
5. Have your child dress up

We want to thank you in advance for making this day special for your child and all our graduates. If you have questions, please contact the Main Office.

Thank you!

BPA Administration & 5th Grade Team

Date	Time	Teacher
Wednesday, May 20 th	9:00 a.m.	Mrs. Estevez
Wednesday, May 20 th	10:00 a.m.	Mr. Nunez
