

Name: \_\_\_\_\_ Date: \_\_\_\_\_

6. Describe what happens in the story. Draw a line from each box on the left to the correct event on the right.

BEGINNING

Bart finds a boy who might help him.

MIDDLE

Tom comes to get Bart.

END

Bart gets lost in the forest.

9. Select the sentence that tells what Ann does with each animal in the story. Write each sentence next to the correct animal in the chart.

Horses	
Cows	
Hens	

**Sentences:**

Ann gathers eggs.

Ann gives hay.

Ann collects milk.

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Now answer Number 11. Base your answer on "Lost in the Forest" and "On the Farm."

13. What happens at the end of each story? How are the endings **alike** and **different**? Include information from both stories to support your answer.
