Paragraph #1

My Dog Romeo is so much fun to play with. One reason he's fun is because he loves to play catch. What's also fun is that he follows me around the house with a toy and drops it on my foot, so I will kick it. Additionally, he can catch just about anything, but his favorite thing to catch is a Frisbee. Finally, he loves it when I pretend like I'm falling dead, and he runs over to lick me. All these reasons show why I really have fun playing with Romeo.

Paragraph #2

Ever since I moved into my own apartment last fall, I have gotten out of the habit of making my bed--except on Fridays, of course, when I change the sheets. Although some people may think that I am a slob, I have some sound reasons for breaking the bed-making habit. In the first place, I am not concerned about maintaining a tidy bedroom because no one except me ever ventures in there. If there is ever a fire inspection or a surprise date, I suppose I can dash in there to fluff up the pillow and slap on a spread. Otherwise, I am not bothered. In addition, I find nothing uncomfortable about crawling into a rumpled mass of sheets and blankets. On the contrary, I enjoy poking out a cozy space for myself before drifting off to sleep. Also, I think that a tightly made bed is downright uncomfortable: entering one makes me feel like a loaf of bread being wrapped and sealed. Finally, and most importantly, I think bed-making is an awful way to waste time in the morning. I would rather spend those precious minutes checking my email or feeding the cat than tucking in corners or snapping the spread.

Paragraph #3

In the mid-1980's, the Minnesota Vikings were a very well-built team because of the draft and some big trades. For example, they picked up players like Chuck Foreman through the college draft. But perhaps more importantly, they pulled off some coups, like the Tarkenton trade in 1973. Undoubtedly, the Vikings were the most evenly balanced team in professional football in the mid-1970's.

Paragraph #4

Here are three reasons why Canada is one of the best countries in the world. First, Canada has an excellent health care system. All Canadians have access to medical services at a reasonable price. Second, Canada has a high standard of education. Students are taught by well-trained teachers and are encouraged to continue studying at university. Finally, Canada's cities are clean and efficiently managed. Canadian cities have many parks and lots of space for people to live. As a result, Canada is a desirable place to live.
