## Cleaning Day!

My mom told me that it was time to clean my room. Mom said, "Clare, you have until the clock goes off." First, I cleaned my clothes. Then, I had to clear all of the toys off the floor of my room. I cleaned my whole room. I was close to the time the clock was to go off, but I made it! My mom gave me claps for cleaning my room!

① What did Mom say?

---

---

---

② What did Clare clean first?

---

---

---

③ What did Clare get for cleaning her room?

---

---

---

# The Flute

Flo got a flute in the mail. The flute was fresh and new. Flo saw the flute flicker in the light. Flo wanted to know if her flute could float. Flo put the flute in the water. It flopped. The flute did not float. Flo got the flute and put it flat to dry. Now Flo's flute was not fresh!

① What did Flo get in the mail?

\_\_\_\_\_

\_\_\_\_\_

② What happened to the flute in the light?

\_\_\_\_\_

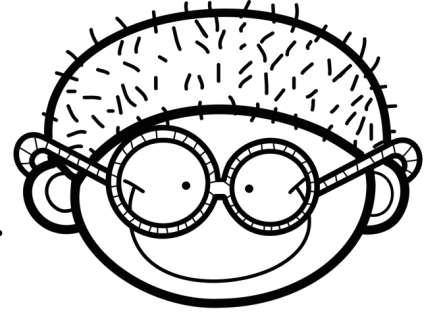

\_\_\_\_\_

③ What happened to Flo's flute in the water?

# My Glasses

Glen got new glasses. Glen was not glad that he got glasses. Glen was glum. Glen did not like how he looked in his glasses. Glenda told Glen, "I like your glasses! They make you glow." That made Glen dance with glee! "Glenda says that my glasses glow!" said Glenn. He was so glad that Glenda said something nice to him.

① How did Glen feel at first about his glasses?

---

---

---

② Who told Glen that she liked his glasses?

---

---

---

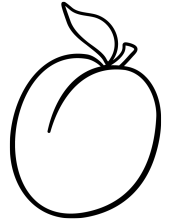

③ How did Glen feel at the end?

---

---

---

# Time to Play

Pat told me that it was time to play! I told Pat that I did not want to play.

“I have a plan!” said Pat. Pat’s plan was to play like we were on a plane. I wanted to play planes, so we played planes. Then I wanted to play in a new place. “Can we plant some plums, please?” I said. “Ok!” said Pat. We planted plums in the garden. I like playing with Pat!

① At the beginning of the story, what did Pat have?

---

---

---

② What did they play first?

---

---

---

③ What did the girls do last?

---

# The Slow Slug

Slim had a slug. The slug liked to race, but the slug was too slow to win. Slim made the slug race on a slope. The slug had to race down the slope. To help the slug win the race, Slim put the slug on a sled. The slug won the race with the help of the sled sliding down the slope. Slim was happy that his slug won the race for the first time!

① What did Slim have?

---

---

---

② Where did the slug race?

---

---

---

③ What helped the slug win the race?
