

Booklet instructions: This is 2 days project.

1. Fold in quarter both pages along the dash line.
2. Put one section inside of the other to arrange the pages in number order.
3. Staple them (open the booklet, fold half way 2 pages, staple, and unfold it).
4. Glue pages back to back (It is better to put only one drop of glue in the corners).
5. Trim borders as necessary.
6. While you are stapling the booklets the students finish the front cover.
7. The student cut and paste the pictures classifying them.
8. Pour glue on the booklet spine and press it onto the crease of the students journal.
