

# Working Hard

By Susan Jones

Working hard  
is what we do.  
We work all day  
until we're through.

We work so hard  
We need a day.  
To sleep and relax.  
To eat and play.

Let's hang out  
with family and friends.  
We'll smile and laugh  
until the night ends.

Then we're back to work,  
Labor Day is done.  
We had our celebration,  
We had our fun!
