

A Vocabulary Parade is Coming!

SAVE THE DATE!

Our annual Word Parade is here. Soon, each student will create a costume that represents their word. Our 2nd grade theme is Sea Animals. How would you show the word WHALE? or OCTOPUS? Or an EEL? Attached you will find a “Costume Design Sheet” to help you plan your child’s costume. Be creative, be unique, have fun!

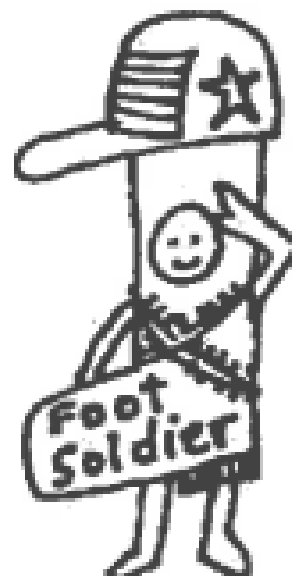

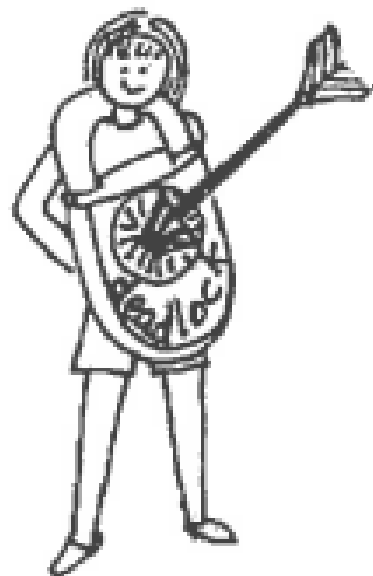

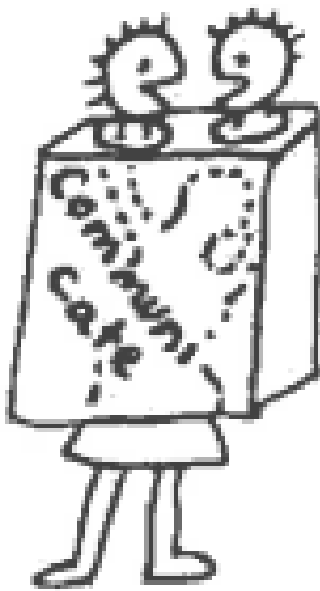

Your child will use their word to find it’s definition, habitat, sketch and use their words in a sentence. They will also need to explain what their costume plan is. Please note that this is will be contributing to their Reading/Writing grade.
