

FRACTION

sundae

by: Amy Lemons

Flavors:

Chocolate: Brown

Strawberry: Pink with red dots

Mint: Green with Black dots

Blueberry: Blue with blue dots

Cookies 'n Cream: White with black dots

Vanilla: Manila

Cherry: Red

Directions: Each child needs 1 bowl and the scoops of ice cream they want to use. You can give a limit on how many scoops to include, or have students decide what their total amount (denominator) will be. Once students have assembled their sundaes, they will write the fractions for each flavor used. (I have updated the templates so it will look slightly different than the example pictures) Also, you don't have to use all of the flavors above! I have provided a few different recording sheets so that you can do what is best for your class!
