## Commas and Sequence Words

**Directions: Add commas in the correct locations.**

### How to Wash a Car

First mix the soap and water in a big bucket. Next wash the whole car very well with the soap and water using a big sponge. Then rinse all soap off of the car. Last dry the car very well with a big towel.

### Taking a Test

First make sure you have a sharpened pencil with an eraser. Next be sure to put your name on your test. Then read all directions carefully and take your time to answer the questions. Last read the test again and double check all your work.

### Getting Ready for School

First wake up early and eat a good breakfast. Next put on your school uniform and shoes. Then brush your hair and teeth and wash your face. Last put on your booksack and be ready to have a great day at school!
